ALEKS KHOLOPOV

Product designer currently based in Saint-Petersburg, Russia.

Designing systems, apps, websites and digital illustrations. Specializing in data visualization, web and UX/UI design using Figma. Passionate about simplicity, I'm constantly trying to build clean and simple products to make people's lives easier.

With more than 15 years in the industry, started out in the advertising sphere, moved on to digital production, and currently working at ITigris to establish the future of optical stores worldwide.
